Your child's growth and development are of great importance to me. I will closely supervise your child while he/she is in my care and will provide enriching experiences to enhance his/her development.

Play is a learning experience. To enrich your child's growth our daily activities may include _____

Infants will be placed on their backs or sides to sleep to help reduce the incidence of Sudden Infant Death Syndrome (SIDS). A few infants have health conditions that require them to have a different sleep position. If this is the case, I must require a note from the child's doctor.

I am aware that good nutrition is necessary for the healthy development of young children. I will serve nutritional meals and snacks such as _____

Please provide for your child _____

In order to protect your child and all children in care, I will not accept for care a child who is vomiting or has an elevated temperature, diarrhea, or any contagious condition. If your child becomes ill during his/her stay with me, I will isolate him/her and notify you to pick up him/her as soon as possible. Parents are responsible for back-up child care arrangements.

My policy on giving medication is _____
